Forecast For West Midlands
Issued by Met Office Exeter
at 1600 on Monday 20 Sep 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Cloudy overnight, becoming warm and sunny through Tuesday.

This Evening and Tonight:
After some late brightness, turning cloudier from the northwest overnight. Staying dry however, though western areas may see some patchy mist or fog by dawn. Chilly in places. Minimum temperature 8 deg C (46 deg F).

Tuesday:
A fine and dry day, with any low cloud and fog soon lifting to leave plenty of hazy sunshine. Feeling warm in the sun, with patchy fair-weather cloud developing later. Maximum temperature 21 deg C (70 deg F).

Outlook for Wednesday to Friday:
Dry with bright spells on Wednesday. Patchy light rain early on Thursday but turning drier and brighter later; breezy throughout. Dry with some sunny spells on Friday. Feeling warm.
